

THE PERHAR TEAM

JAGDEEP PERHAR

People know me from my involvement in the community, my positive attitude and my people oriented nature.

Having done my Masters done in Computer Engineering from University of Ottawa, I gained 14 years of experience in the high tech industry, this giving me the skills to understand all your real estate needs.

I feel proud that I am backed up with the finest real estate companies in Canada. Royal LePage is recognized as a Canadian industry leader. in technology and is the fastest growing real estate franchise in the country.

I am excited to be working with you as my client, As a real estate professional i believe in personalized service and solid communication. I bring a personal commitment to providing superior service through hard work, dedication and extensive market analysis. I will provide you with the most comprehensive real estate service available, guiding you through the sale of your home with ease. I will put my commitment in writing by offering you my exclusive Seller Service Guarantee.

I strongly believe that my offers will have a real impact on people's lives. I also believe that it is very important to keep myself up-to-date with the industry and with technology. As your real estate representative, my focus will not only be to just sell your home, but to market your home and get you the best price in the current market. My goal while working with you will be to earn your trust and loyalty by providing you with exeptional and personalized customer service.
